To whom it may concern,

I am writing to recommend the services of Extreme Security Measures. Nathaniel Richardson has been an incredible asset to Suffolk Educational Local 870 for the last 5 years as security for special events. His knowledge and attention to every detail have aided in keeping our events safe and secure.

I feel confident in recommending Extreme Security Measures.

He is not only thorough but also easy to work with and always willing to staff us with great men and women from his team, even in a short notice. You will be in great hands with Extreme Security Measures.

If you have any further questions, please feel free to contact me.

To whom it may concern,

This letter comes with high recommendation for ESM Security and Nate Richardson. We have used him since 2017 for our fashion shows and other events in the school districts and we have never been so happy.

He is prompt, professional, reputable, loyal and very transparent. He is easy to work with and always provides us with men who work in the same manner as him. His team is the best I've seen in the industry.

If I can be of any assistance, please feel free to call me with any questions.

Thank you,

To whom it may concern;

About 2 years ago, I was referred to Mr. Nate Richardson and his company ESM for some private security work. Since Nate and I met, he has been a reliable and cost-efficient contractor for us.

Nate has served us on multiple occasions in hours notice and made over a 2-hour drive to come service us. He is truly dedicated to his career as his main goal is safety for all his patrons. Over the years Nate has communicated very well and transparent. Even if he wasn't available on a certain day, he would work diligently to get one of his guys out to us to service us in a short time of notice.

I highly recommend Nate Richardson for all needs in the private security realm as he is reputable, loyal and transparent.

Any questions or concerns, please feel free to contact me.

Thank you,
